

Code of Ethics

I will abide by the First Class Miners' By-Laws at all times.

I will respect other prospectors' claims and will not work those claims without their owners' permission.

I will appreciate and protect our heritage of natural resources, wildlife, fisheries, and private property and respect all laws or ordinances governing prospecting and mining.

I will be thoughtful, considerate, and courteous to those around me at all times.

I will observe all existing laws, whether national, state, or local.

I will be careful with fuels and motor oils and be cognizant of their potential detrimental effect on the environment.

I will remove and properly dispose of trash and debris that I find; I will not litter.

I will have on site all necessary permits and licenses.

REMEMBER

All of us prospectors and metal detectorists
may be judged by the example YOU set!

Please help us to maintain a good image for all who enjoy our sport, lest local and national governments completely restrict our hobby!
